

# State of geomorphological research in 2022

## 2<sup>nd</sup> Circular

Invite you to the international conference

May 18–20, 2022 in Horní Bečva, Czechia

### Dear colleagues,

We would like to announce and cordially invite you to the annual international conference **State of geomorphological research in 2022**. Forthcoming event is **organised bilaterally** and should be perceived as the common conference of both Czech Association of Geomorphologists and Association of Slovak Geomorphologists. After a 2-year pause, for the Czech Association of Geomorphologists it will be a round anniversary – 20<sup>th</sup> in the line of meetings, which started in 2000. For the Association of Slovak Geomorphologists, it will be the 11<sup>th</sup> biennial meeting.

The thematic scope of the conference traditionally covers all geomorphological disciplines as well as those of related geosciences. The conference will culminate with a whole-day field trip. We hope the conference will be interesting and inspiring and we are looking forward for your valuable contributions.
